Dear Parents and Caregivers

We are pleased to advise that Mount Brown Public School has its own website. The address for this website is:

www.mountbrown-p.schools.nsw.edu.au

We trust that you will find the website informative and useful. A calendar with upcoming school and Department of Education events is accessible via the website. Permission notes for all school excursions and extra-curricular activities will be attached to the website as soon as they are available and these will be able to be downloaded and printed.

New content is regularly added to the website. Each week's school bulletin will be attached to the website for all parents to access. Frequently we include students' names in the bulletin acknowledging them for superstars and other achievements. On the website we would also like to include photos of our students participating in the various activities as part of the school curriculum, as well as some samples of work produced by our students.

To do this, we seek permission to include your child/ren's names, photographs and work samples on the school website and because the bulletin will be attached we seek permission to include each of these items in the bulletin as well. Please complete the cut-off section below and return to the school as soon as possible. Without permission we will not include names, images or work samples on either the school website or in the bulletin.

Thank you for your assistance in this matter.

Tonia Reynolds
Assistant Principal
