Kindergarten Parent teacher meeting

Dear Parents/Carers

An integral part of your child's learning is an opportunity for you to meet the class teacher and discuss how your child has settled in.

This note provides information on available interview times and includes a 'tear off' slip where you can indicate your preferences. Please return the slip as soon as possible and you will then receive a note confirming your interview.

10 minute interviews have been scheduled to be held on the following days.

Day	Times
Monday 28 th February	3:00pm – 5:15pm
Tuesday 1 st March	3:00pm – 5:15pm

If these times are not suitable please let your child's teacher know and they will negotiate a convenient time for you both.
